Call for Exhibits & Sponsors

Southern Africa Mathematical Sciences Association Annual Conference

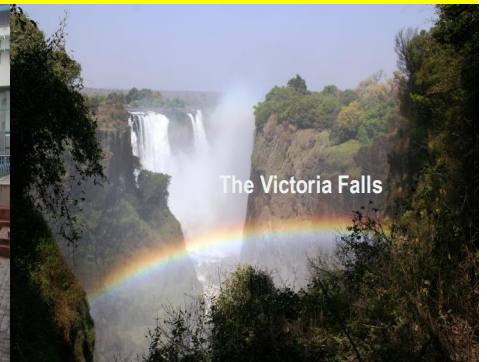

NATIONAL UNIVERSITY OF SCIENCE & TECHNOLOGY
ZIMBABWE (NUST)

Theme: "Mathematical Journeys - From theories in mathematical sciences to knowledge for building our communities"
Date: 24 to 28 November, 2014
Venue: Elephant Hills Hotel, Victoria Falls, Zimbabwe

SAMSA will be thirty-three years in December 2014, over which time it has continued to serve as an avenue for the exchange of knowledge, information and provoking new ideas in problem solving among experts from Southern Africa's academic, industrial and commercial sectors. This international event will this year bring together about **150 delegates from all over the world** to be hosted by the National University of Science and Technology (NUST) at Elephant Hills Hotel, Victoria Falls, Zimbabwe. We believe this to be an opportune time for universities/research institutions, private companies as well as government departments and non-governmental organizations to market themselves to some of the best students and faculty, who patronize the SAMSA conferences and are looking for opportunities for further studies, work or collaborations.

Therefore, we **invite** academic institutions, book publishers, private companies, government departments and agencies, organizations, professional bodies or any organization with interest in mathematical sciences (mathematics, statistics and computing), **to showcase information** on their programs, opportunities existing in their organizations, etc. Organizations can also make a **donation or sponsorship** towards the conference, and we will give advertising space in the book of abstracts or we will have their flyers distributed to the delegates as part of **advertising**.

Submission of interest to exhibit

Expression of interest to exhibit should be sent by e-mail to LOC through Noble Malunguza (nmalunguza@gmail.com) with copy to the SAMSA Secretary, Dr. Peter Mhone (pmhone@poly.ac.mw) not later than **19th November 2014**.

Exhibition Fees: There will be an exhibition fee of **US\$300.00** for academic institutions and government/non-governmental organizations; and **US\$500.00** for companies, for the duration of the conference.

For more information, please contact the above two individuals or the SAMSA Treasurer, Dr. Moathlodi Kgosimore (kgosimor@gmail.com).
