33rd Southern Africa Mathematical Sciences Association Annual Conference

NATIONAL UNIVERSITY OF SCIENCE & TECHNOLOGY
ZIMBABWE (NUST)

Theme: "Mathematical Journeys - From theories in mathematical sciences to knowledge for building our communities"
Date: 24 – 28 November, 2014
Venue: Elephant Hills Hotel, Victoria Falls, Zimbabwe

SOUTHERN AFRICA MATHEMATICAL SCIENCES ASSOCIATION (SAMSA)

General Information

- **Airport Transfers:** The LOC will provide transport from the airport to delegates' respective hotels at 11:00HRS and again at 13:30HRS on Sunday 24 November 2014. Similar arrangements will be made to transport delegates to the airport on the 29th of November 2014. LOC representatives will carry placards written SAMSA and should be easily noticeable as this airport is not usually very busy. Taxis are also available at the airport at a cost of between USD15-US \$20.
- **Registration:** Delegates will be able to register on Sunday from 14:00Hours onwards at the Elephant Hills hotel. Please bring proof of your payment to the registration desk for those who have effected payment already. Alternatively you could email these to LOC (samsa2014conference@gmail.com).
- **Details on the conference rooms will be availed at the conference.**
- **Accommodation:** We trust that you have all booked your accommodation. Rooms are still available at Elephant Hills.
- **Draft program for conference is already posted on the SAMSA webpage and Book of Abstracts will be posted in due course.**
- **Excursions are listed on the draft program and the finer details will be given at the conference.**
- **Victoria Falls is usually hot with lots of rains at this time of the year. However be sure to carry at least one warm garment.**
- **Contact details of the LOC members:**
